### Product description

Japanese-style cheese & onion peanuts are a delicious snack that combines the crunchiness of peanuts with the taste of cheese and onion. The delicate breading makes them extra crispy and the aroma of cheese and onion give them a distinctive taste. This is an ideal proposition for peanut fans who want to experiment with different flavors and experience new, interesting combinations. This snack is perfect for parties or as an addition to your favorite movie. Peanuts are packed in 120 g bags (variant with cheese & onion coating).
