## Product description

Japanese-style pepper peanuts are a delicious snack that combines the crunchiness of peanuts with the intense taste of pepper. The delicate breading makes them extra crispy and the aroma of pepper gives them a distinctive, slightly spicy taste. This is an ideal proposition for peanut fans who want to experiment with different flavors and experience new, interesting combinations. This snack is perfect for parties or as an addition to your favorite movie. Peanuts are packed in 120 g bags (variant with pepper coating).
