Product description

Mondello Sarepska hot Mustard is a bold, flavorful condiment created for those who appreciate a deep, warming taste. Made from Sarepta mustard seeds known for their intense aroma and sharper profile, it offers a smooth texture and a rich, spicy character. Its distinctive heat perfectly complements grilled meats, sausages, cold cuts, and both traditional and modern dishes. A must-have addition that brings energy and character to any meal. The product comes in a 190 g glass container.
